*Pictures of the Porch Glider and Mortise & Tenon Jigs that help make it!*

Hello Jim,  
I purchased your Porch Glider plans which I'm just now finishing constructing.

**These are very good projects and were worth my time to make the Mortise & Tenon Jigs and the Porch Glider.**

I included pictures of the Glider and my Wife, Amy, enjoying it immensely.  
The Mortise & Tenon Jigs made building the Glider fairly easy. And they added a Professional touch.

Thanks again, *Terry Wharf*

My wife, Amy,  
enjoys the Glider!
